Shaping the Vision and Values

of The Federation of Burley and Sopley Primary Schools

I would like to offer you the opportunity to come into school and help shape the strong vision and set of core values that we as a community want for the children in our schools. Our vision and values will represent the future that we want for our children. The Federation's aspirations need to be set out clearly and with confidence so they become a powerful vehicle for us communicating what we want to achieve. Creating our vision and core values cannot be done in isolation which is why we would like all stakeholders to have an opportunity to join us in the shaping of these. Parents, carers, governors, staff and most importantly the children, all need to be consulted.

We are holding a vision and value week starting on the 21st May. The children will be talking about our vision and values in class and there are two sessions for adults to attend - Tuesday 22nd May (2pm) in Sopley's school hall and Wednesday 23rd (6pm) in Burley's school hall where you will get to have your opportunity to shape the vision and values of the Federation. You are welcome to attend either site, regardless of whether your child attends Burley or Sopley.

If you are unable to attend there will be information sent home on the 22nd June where you will be able to share your views in written form by Friday 29th June.

The final version of the vision and core values will be shared with the community in September.

I hope you are able to attend one of these sessions and look forward to welcoming you at one of our beautiful schools.

Helen Morris

Dates to Remember

Mon 14th May to Fri 18th May

Year 6 SATs Week

Fri 18th May

Royal Wedding themed mufti day. Red, white & blue.

Mon 28th May to Fri 1st June

Half Term

Mon 4th June

Inset Day

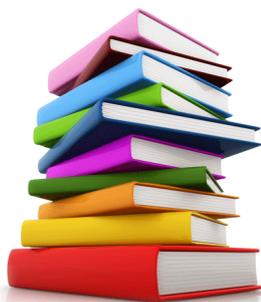

Mon 23rd Jul

Inset Day

Tues 24th Jul to

Start of summer holidays!

Library Help

The school is looking for volunteers to manage the school library. If you have any spare time and are interested in becoming a voluntary school librarian please contact the school office. We are looking for someone who can commit to a couple of hours each week. We want our children to have a love of reading and want them to be able to use a well-stocked, cared for and tidy library.

Thank you

School Council

The School Council were invited to lunch by our caterers hc3s to discuss the current food options and ideas for future menus.

Our school council team range from YrR to Yr6 and were representing the views of their class mates. One of the items discussed was the trial of a year 6 menu designed exclusively to give UKS2 children a taste of secondary school lunches. In addition to this the new picnic menu was unveiled and the 7 day family snack challenge.

All the children represented the school beautifully and were a credit to BPS.

Outdoor Climbing Frame

We are sure many of you will have noticed or heard about the removal of the wooden climbing frame.

Unfortunately, the annual inspection identified that the timbers were rotting and they were not able to be repaired. Due to this, it has had to be removed to comply with Health and Safety regulations.

The school are currently looking at possible grants to fund the replacement of the equipment but this may take some time.

In the meantime we are looking to provide the children with more play equipment to keep them entertained during their free time.

All Stars Cricket

Following feedback from the coach Burley Cricket Club are changing the day and time of the All Stars club to allow children who currently do activities on Wednesdays to take part.

All Stars will now run from 17:30 to 18:30 on Thursdays and start on June 7.

Any interested parents can contact the club's All Stars coordinator Ben Crowley on info@bencrowley.co.uk or 07775-615309 or enrol directly at

<https://ecb.clubspark.uk/AllStars/At/burleycc>

SAFEGUARDING

The welfare of children is at the heart of what we do.

We are committed to safeguarding children and have a range of policies and procedures that reflect and support this duty.

Policies are available on request from the school office.

If you have any concerns about the welfare of a child, please speak to a member of school staff or, outside of school hours, contact Children's Services:
